Unit Owner's Insurance

Each individual unit owner is responsible to maintain a unit owner's insurance policy to insure all personal property contained within the unit and the personal liability of the unit owner. At least **\$10,000** of **Coverage A Dwelling** should also be included to provide insurance protection for damage claims to the unit that are less than or equal to the deductible of the Association's master policy. The purchase of a Condominium Unit Owner's or Homeowners Form 6 policy will provide this type of protection.

Also suggested is the purchase of Earthquake Loss Assessment coverage. This coverage assists the unit owner in the payment of their share of the Association's Master Earthquake Insurance deductible expense.
